

# Notice of Public Hearing on Tax Increase

The City of Frisco will hold two public hearings on a proposal to increase total tax revenues from properties on the tax roll in the preceding tax year by 2.41 percent (percentage by which proposed tax rate exceeds lower of rollback tax rate or effective tax rate calculated under Chapter 26, Tax Code). The average taxable value of a residence homestead in City of Frisco last year was \$284,722. Based on last year's tax rate of \$0.450000 per \$100 of taxable value, the amount of taxes imposed last year on the average home was \$1,281.25.

The average taxable value of a residence homestead in City of Frisco this year is \$296,528. If the governing body adopts the effective tax rate for this year of \$0.439392 per \$100 of taxable value, the amount of taxes imposed this year on the average home would be \$1,302.92

If the governing body adopts the proposed tax rate of \$0.450000 per \$100 of taxable value, the amount of taxes imposed this year on the average home would be \$1,334.38.
